The John C. Haney Memorial Foundation Receives \$5,000 Donation from Attorney Andy Young of The Law Firm for Truck Safety LLP

Cleveland, OH, January 28, 2024 – The John C. Haney Memorial Foundation is proud to announce a generous donation of \$5,000 from Attorney Andy Young, a dedicated advocate for truck safety and a Managing Partner with The Law Firm for Truck Safety, LLP.

Andy Young, a nationally respected Ohio truck accident attorney, is not only a dedicated advocate for truck safety improvements, but he is also committed to helping his clients and community navigate the aftermath of catastrophic trucking incidents, including addressing mental health needs and supporting the family and community’s journey towards recovery. His firm’s generous donation to the John C. Haney Memorial Foundation underscores The Law Firm for Truck Safety’s unwavering dedication and support of local nonprofit organizations focused on raising mental health awareness.

“We are so grateful for the generous support of The JCH Foundation,” said Rick Haney. “The donation from Mr. Young and The Law Firm for Truck Safety, LLP will have a direct impact on creating two new ‘John’s Safe Place Rooms for 2024. These new spaces include furniture, sensory-sensitive devices, headphones, art materials, and decor. Funds will also be allocated towards providing Mental Health First Aid Sessions for schools to offer their teachers in-person suicide prevention training to help recognize risk factors and warning signs.

About The Law Firm for Truck Safety, LLP

The Law Firm for Truck Safety, LLP stands out as one of the nation’s premier truck accident law firms, dedicated solely to seeking justice for those impacted by catastrophic truck crashes. The Law Firm for Truck Safety’s personal injury attorneys approach each case with compassion and a relentless pursuit for the accountability of negligent trucking companies and drivers, and compensation for truck crash victims and their loved ones. With office locations in Ohio, Tennessee, and Oklahoma, The Law Firm for Truck Safety remains steadfast in its support of truck safety initiatives aimed at reducing catastrophic truck crashes to zero and advancing the safety of US roads at both local and national levels.
